INFORMATION TO BE INCLUDED IN FORM ECSRC-K

1. Business.

Provide a description of the developments in the main line of business including accomplishments and future plans. The discussion of the development of the reporting issuer's business need only include developments since the beginning of the financial year for which this report is filed.

2022 saw a significant recovery in the Group's performance following the stagnation brought about by the Covid-19 pandemic. The removal of travel restrictions and the 2022 general elections stimulated economic activity in the Federation, which increased turnover during the year.

While turnover increased during the year, significant supply chain issues continue to affect the timely availability and selection of products for resale. Higher shipping costs and spiraling inflation on basic consumable products compound these supply chain issues.

While these factors will provide challenges in the short term, the Group is committed to providing the best value to its customers while ensuring profitability and sustainable growth to all its stakeholders.

2. Properties.

Provide a list of properties owned by the reporting entity, detailing the productive capacity and future prospects of the facilities. Identify properties acquired or disposed off since the beginning of the financial year for which this report is filed.

Listing attached

3. Legal Proceedings.

Furnish information on any proceedings that were commenced or were terminated during the current financial year. Information should include date of commencement or termination of proceedings. Also include a description of the disposition thereof with respect to the reporting issuer and its subsidiaries.

- (vi) Notes to the Financial Statements.

7. Disclosure about Risk Factors.

Provide a discussion of the risk factors that may have an impact on the results from operations or on the financial conditions. Avoid generalised statements. Typical risk factors include untested products, cash flow and liquidity problems, dependence on a key supplier or customer, management inexperience, nature of business, absence of a trading market (specific to the securities of the reporting issuer), etc. Indicate if any risk factors have increased or decreased in the time interval between the previous and current filing.

With the lifting of Covid-19 restrictions and the return of the free movement of people, the economic and business environment is challenged with global supply chain issues.

This has resulted in longer lead time, higher costs, and the unavailability of products for resale.

Higher global energy prices have fueled inflation which has increased the business cost of operations and significantly increased the cost of living for consumers.

The Groups primary source of revenue is through its various retail channels aimed directly at the consumer. As such, it continues to manage its margins while providing its customers a competitive option in an inflationary environment.

Management continues to review and assess its receivable portfolio and take all necessary steps to improve collectibility and reduce default.

The Group has zero debt, good liquidity, and access to approved financing. Management will continue to identify, evaluate and implement measures to mitigate the effect of these risks.

8. Changes in Securities and Use of Proceeds.

- (a) Where the rights of the holders of any class of registered securities have been materially modified, give the title of the class of securities involved. State briefly the general effect of such modification upon the rights of holders of such securities.

- Offer opening date (provide explanation if different from date disclosed in the registration statement)

- Offer closing date (provide explanation if different from date disclosed in the registration statement)

- Name and address of underwriter(s)

- Amount of expenses incurred in connection with the offer _____

- Net proceeds of the issue and a schedule of its use

- Payments to associated persons and the purpose for such payments

- (c) Report any working capital restrictions and other limitations upon the payment of dividends.

There are no restrictions on working capital; however, the company must seek the consent of its bankers, The Bank Of Nevis, before paying a dividend.

9. Defaults upon Senior Securities.

- (a) If there has been any material default in the payment of principal, interest, a sinking or purchase fund instalment, or any other material default not satisfied within 30 days, with respect to any indebtedness of the reporting issuer or any of its significant subsidiaries exceeding 5 percent of the total assets of the reporting issuer and its consolidated subsidiaries, identify the indebtedness. Indicate the nature of the default. In the case of default in the payment of principal, interest, or a sinking or purchase fund instalment, state the amount of the default and the total arrears on the date of filing this report.

There were no defaults; principal and interest were paid on their due dates.

- (b) If any material arrears in the payment of dividends have occurred or if there has been any other material delinquency not satisfied within 30 days, give the title of the class and state the amount and nature of the arrears or delinquency.

There were no delinquencies.

Dividends were paid in a timely manner; there are no arrears.

A second Interim Dividend on September 2021 profits of \$ 0.0388 per share (\$ 2,340,701) was paid on May 12th, 2022.

On October 27th, 2022, an Interim Dividend of \$0.0666 per share (\$ 4,017,250) was paid on the profits for the period ending September 30th, 2022.

10. Management's Discussion and Analysis of Financial Condition and Results of Operation.

Discuss the reporting issuer's financial condition covering aspects such as liquidity, capital resources, changes in financial condition and results of operations during the financial year of the filing. Discussions of liquidity and capital resources may be combined whenever the two topics are interrelated.

The Management's Discussion and Analysis should disclose sufficient information to enable investors to judge:

1. The quality of earnings;
2. The likelihood that past performance is indicative of future performance; and
3. The issuer's general financial condition and outlook.

It should disclose information over and above that which is provided in the management accounts and should not be merely a description of the movements in the financial statements in narrative form or an otherwise uninformative series of technical responses. It should provide management's perspective of the company that enables investors to view the business from the vantage point of management.

The discussion should focus on aspects such as liquidity; capital resources; changes in financial condition; results of operations; material trends and uncertainties and measures taken or to be taken to address unfavourable trends; key performance indicators; and non-financial indicators.

General Discussion and Analysis of Financial Condition

Chairman's Report

The Company experienced a strong recovery in 2022 as our economy, and that of the world, emerged from the Covid-19 pandemic.

Income Before Taxation of \$13,263,250 increased by \$6,428,465 or 94.06% versus 2021. Similarly, Income After Taxation of \$10,508,342 was greater than 2021 by \$5,495,513 or 109.63%. Basic Earnings Per Share for 2022 were \$0.17 versus \$0.08 for 2021. Total Comprehensive Income was \$10,499,469 versus \$11,693,040 for 2021, a decrease of \$1,193,571 or 10.21%. This decrease in Total Comprehensive Income was due to the revaluation exercises on the property in 2021, which resulted in an overall gain in Other Comprehensive Income of \$6,680,211 in that year.

Group Sales or Revenue for 2022 was \$147,498,080 versus \$130,952,148 for 2021, an increase of \$16,545,932 or 12.64%. Our Durable Goods sector increased by \$8,402,963 or 15.95%, our Automotive Sector increased by \$2,137,434 or 15.13%, and our Consumable Goods sector increased by \$5,805,695 or 8.59%.

Gross Profit increased by \$4,362,971 or 14.28% to \$34,917,408.

Other Income increased by \$1,029,820 or 10.55% to \$10,793,457 due to an increase in Rental Income, primarily Car Rental Income due to the recovery of our travel sector, a gain on the sale of properties at South Independence Square and gains in Miscellaneous Income. These gains were partially offset by further declines in Interest Income caused by the declining Vehicle Financing and Furniture Hire Purchase portfolios.

The resulting Total Income increased by \$5,392,791 or 13.36% to \$45,710,865.

Operating Expenses increased slightly by \$257,717 or 0.75% to \$34,813,387. Employment Costs remained on par with 2021, while the net changes in the other expense categories contributed to the net overall minor increase.

Operating Profit increased by \$5,135,074 or 89.11% to \$10,897,478.

The Share of Results from Associated Companies after tax was \$2,476,108, an increase of \$1,094,531 or 79.22%. The results of both St. Kitts Masonry Products Limited and Carib Brewery Limited increased for the year.

Finance Charges decreased by \$198,860 or 64.32%.

Profit Before Income Tax increased by \$6,428,465 or 94.06%.

Income Tax Expense was \$2,754,908 versus \$1,821,956 in 2021. The effective tax rate for 2022 was 25.54% versus 33.41% in 2021.

Profit For The Year increased by \$5,495,513 or 109.63% to \$10,508,342.

The sale of the South Independence Square properties resulted in the reclassification of \$1,923,220 from the Revaluation Surplus to Retained Earnings, as shown in the Consolidated Statement of Changes in Equity.

The Group's solvency strengthened significantly in 2022 to a position where the Company is now free of borrowings and has an overall cash surplus.

The economy continues to show signs of improvement as we emerge from the Covid-19 pandemic and the challenges presented by the pandemic. Accordingly, I expect further improvement in the Company's performance in 2023.

Your directors recommend a Final Dividend of \$0.0793 per share, which, along with the Interim Dividend of \$0.0666, will result in a Total Annual Dividend of \$0.1460 per share for a total of \$8,801,016.

I wish to thank all our customers in St. Kitts and Nevis for their continued loyalty and support.

I also wish to thank our staff for their support and dedication to achieving the organization's objectives.

I thank my fellow directors for their support and valued counsel. Two of our directors, Mr. Anthony Gonsalves and Mr. Terrance Crossman, resigned from their positions on the Board on December 31st, 2022, for personal reasons. I wish to express my appreciation for their counsel during their years of service. I also want to extend best wishes to them in their current and future endeavors.

NOT APPLICABLE
